

CENTENNIAL HOME / PROPERTY DESIGNATION

The Ada Historical Society is excited to present our *“Centennial Homes and Properties”* program! Ada Township possesses a significant inventory of historical homes and properties that were originally either constructed as homes or business establishments, more than 100 years ago. We would like to pay homage to these fine buildings by providing homeowners / businesses the opportunity to join our “Centennial Homes and Properties” program. When approved, the establishment will receive a certificate to display within the home or structure, as well as the choice to order an engraved plaque to place at the building’s exterior entry. The cost of the customized heavy-weight cast-aluminum bronze / black-finished plaque is \$100.00. A sample is available for viewing at the Museum.
