The Michiganders on the Road motor coach tour program was developed by HSM to allow participants to experience the culture and heritage of all 50 states. The excursions are not “cookie cutter” tours. Each and every tour is planned, executed and guided by Robert Myers, HSM’s assistant director for education programs and events. When planning the adventures, Myers keeps in mind what history enthusiasts look for in their road trips so that the experience meets expectations.

The Historical Society of Michigan is the state’s oldest cultural organization, founded in 1828 by territorial governor Lewis Cass and explorer Henry Schoolcraft. A nongovernmental nonprofit, the Society focuses on publications, conferences, education, awards and recognition programming, and support for local history organizations to preserve and promote Michigan’s rich history.
